PHILOSOPHY OF EDUCATION FOR THE EDGEWOOD-COLESBURG COMMUNITY SCHOOL DISTRICT

The Board of Directors of the Edgewood-Colesburg School District is committed to a philosophy of service to children; the objective of this philosophy is to help each child develop into a mature individual and a contributing member of society. The Board believes that this objective can best be met through a school program wide enough in scope to encompass the intellectual, physical, civic, social, and aesthetic education of children.

The Board of Directors realizes that an effective public school program must be directed toward common needs of all children; however, the Board believes the emphasis must lie always on the unique needs of each individual child.

The Board of Directors recognizes that the guardianship of public education is a trust and an obligation – that the goals of education and the goals of democracy are fundamentally the same. For that reason, the Board considers that its philosophy and objectives can best be realized when the educational program is directed through written Board policies, policies that are based on the Constitution, the state statutes, federal and state regulations, and the specific needs of this school district.

I. ACHIEVEMENT

A. Expectations

1. Students are expected to complete and hand in their assignments as required. Students are expected to take homework home and complete it when necessary, and bring it back to school the following day.
2. When students are absent for any reason, they are expected to make up their work in one or two days, except for extended illness. A make-up slip with their assignments will be prepared for them, and they are to complete the make-up work, and have each teacher sign it.
3. When students know they will be absent in advance, they should bring a note from their parent to their teacher no sooner than one week prior to the planned absence. An advance make-up slip will be sent to his/her teachers and they will give as many upcoming assignments as possible. Students should try to complete as much of this work as possible before the planned absence.

B. Standards Based Report Cards

Report Cards

Following the end of each 9 week quarter, report cards will be sent to parents with their child's performance levels on them. End of the 1st, 2nd, and 3rd quarter grades will be sent home with students. At the end of the 4th quarter grades will be sent home the last day of school or mailed to parents.

C. Achievement Difficulties

1. Students who continually have difficulty meeting expectations may be required to carry an organizer to their classes to keep track of assignments and their completion and they may have a staff member assigned to them to check on them daily, or both. Sometimes students are asked to come early or stay after school to help them with assignment completion. Students may be asked to stay in from recess at noon to complete assignments or make-up work. The staff decides which students need these interventions.
2. Students who do not meet expectations may be retained in their grade another year.
3. The Ed-Co Elementary School is using MTSS (Multi-Tiered Systems of Support) in finding student skills and ability levels; developing interventions to address student needs; and determining eligibility for special programs. When developing helpful interventions, The Problem Solving Process looks at more than just the learner. It looks at the instruction, curriculum, and the environment of the child as well. This is a process that provides for parent involvement with the school along each stage, either through conferences, written messages, or phone contacts. Keystone Area Education Agency personnel are sometimes involved in the Problem Solving Process, including assessment for the areas of achievement and behavior, and consultations with students, teacher, or parents.

D. Achievement Testing

1. Classroom tests are given at regular intervals throughout the school year to assess student achievement. A variety of testing procedures are used.
2. The Iowa Assessments are given annually to 2nd through 6th grade students each year. Percentile results are sent home to parents. Parents with questions about their child's score should arrange a conference to have them explained.
3. Specialized achievement tests are available throughout special education services. These tests are used to pinpoint specific student difficulties, and also see if students qualify for special education services. Parent permission is required before students are given these tests, and the special education team must also agree to the testing. Results of these tests must be discussed with the parents, following the testing.
4. NWEA Testing
5. FAST Testing
6. F&P
7. STAR

E. Parent –Teacher Conferences

Parent-Teacher Conferences are scheduled twice each year for parents to discuss their child's progress with the child's teacher(s). Ed-Co Elementary uses a web-based parent-teacher conference scheduling program. A letter will be sent home with the students a few weeks before conferences with information regarding logging into their account to sign up for conferences. Parents are also encouraged to call to arrange for teacher conferences any time they feel a need to have things explained, or want to better understand something. Teachers are normally available from 3:20 to 3:45 each day (Monday-Thursday) following school, or other arrangements can be made. Please call ahead to request the conference.

II. HEALTH & SAFETY

A. **Immunization**

1. All students attending Ed-Co must have proof of the immunizations required by the state of Iowa, or have documented medical evidence stating why they are excluded from certain immunizations. Students not having such proof of evidence may not be admitted to school.
2. Required immunizations for the state of Iowa may be obtained by contacting the school nurse.
3. Low cost immunizations are available in each of the counties the district is located in. Contact the county health department of the county you reside in, or ask the school nurse.

B. **Student Injury or Accident at school**

A student who becomes ill or is injured at school must notify his or her teacher or another employee as soon as possible. In case of serious illness or injury, the school shall attempt to notify the parents according to the information on the emergency form. If the student is too ill to remain in school, the student is released to the student's parents or, with parental permission, to another person directed by the parents.

While the school district is not responsible for treating medical emergencies, employees may administer emergency minor first aid if possible. The school contacts emergency medical personnel if necessary and attempts to notify the parents as to where the student has been transported for treatment.

C. **Health Screening**

The school district conducts JK – 6th grade health screenings for vision, hearing, height and weight measurements. Students are automatically screened unless the parent submits a note asking the student be excused from the screening.

D. **Administration of Medication**

No medication shall be dispensed to any student unless the following rules are observed:

1. The medication must be prescribed by a licensed medical or osteopathic physician or dentist.
2. A statement of the physician's directions requesting the specific medicine to be dispensed, and the time at which it is to be dispensed at school must be filed at the school in the building where it is to be dispensed. This statement must be accompanied by the physician's description of the anticipated reactions of the pupil to the aforementioned medication.
3. The parent or guardian must sign a request to have this prescribed medication dispensed to the child according to the written directions of the prescribing physician or dentist.
4. The prescription and the parent's signed request to dispense the medication are to be kept on file in the office from which the medication is dispensed.
5. The medicine shall be maintained in the original prescription container which shall be labeled with: (A) name of pupil, (B) name of medication, (C) directions for use, (D) name of physician or dentist, (E) name and address of pharmacy, and (F) date of prescription.
6. The medication, while at school, shall be kept in a designated place, in a locked cabinet or drawer. When required, refrigeration will be provided.
7. In each building access to the medication shall be under the authority of the nurse.
8. A written record will be kept on any medication given at school. This record will include the pupil's name, the name of the medication, the amount of medication to be given and the time at which it is to be given. After the medication is given, the person dispensing the medication will initial the medication sheet with his/her initials. The record shall be kept each time the medication is given at school, on the appropriate "Medication List" form.
9. At the end of the school year, or at the end of the dispensing time, any remaining medication shall be returned to the pupil's parents or destroyed. This action, if medication is destroyed, should be noted on the pupil's health record.

E. **Head Lice**

Parents of students infected with head lice will be notified and advised of treatment options. A note will be sent home with classmates advising parents to check their child for head lice. The school nurse will periodically check students for head lice.

Head lice can happen to anyone. It is not a sign of having poor health habits or being dirty. The most important fact to remember is that the problem should be quickly treated because delays will only spread the infestation throughout your family and community. Listed below are instructions for controlling a lice problem in your home.

Signs of Infestation:

Head lice are hard to see but signs to look for are:

- A family member persistently scratching the head or back of neck.

- White specks in the hair. Look for whitish eggs that can be mistaken for dandruff. Dandruff is easily removed from hair or scalp; however, nits (eggs) are glued to the hair shaft and are very difficult to remove.

If lice infestation is confirmed:

Call or visit your family physician or talk to the school nurse. Lice and their nits can survive (for a time) off the body. Even though family may have been successfully treated, immediate reinfestation is possible or a fresh infestation of other members may occur. Please call the school also, so other families can be made aware of the problem. All calls are confidential.

Treating the environment:

Clean all articles that might have lice or nits. Clothes towels and bed linens should be washed in hot water and detergent or dry-cleaned.

To keep lice from coming back:

Instruct your child not to borrow personal items such as combs, brushes, hats, clothing and towels from other people. Disinfect combs, brushes and similar items by washing with a special shampoo. If one member of your family has head lice, you should inspect all family members every other day for at least two weeks.

F. Communicable Diseases

Students who have an infectious or communicable disease are allowed to attend school as long as they are able to do so and their presence does not pose an unreasonable risk of harm to themselves or does not create a substantial risk of illness or transmission to other students or employees. If there is a question about whether a student should continue to attend classes, the student shall not attend class or participate in school activities without their personal physician's approval. Infectious or communicable diseases include, but are not limited to mumps, measles, and chicken pox.

G. Early Dismissals, School Cancellations

Should it become necessary to call off school due to bad weather or other conditions, the announcement will be made over the following stations

FM Radio: KMCH – Manchester – 94.7
KCTN – Elkader – 100.1

TV Stations: KGAN, Cedar Rapids, Channel 2
KCRG, Cedar Rapids, Channel 9
KWVL, Waterloo, Channel 7

*Some stations get the information on faster than others. The best advice is to listen to more than one so our information is not overlooked.

KWVL & KCRG provide a free service that will notify you via your cell phone or email when early dismissals, late starts or cancellations occur. Check their website for details.

Families can also register at Iowa School Alerts Program at <http://tinyurl.com/j3pje8r>.

Please listen to these radio stations and do not call the school or school officials. Our phones will be very busy calling radio stations, drivers, cooks, and other school personnel.

Parents can sign up for school text alerts by texting "@edcoe" to (515) 393-4079.

H. Fire and Tornado Drills

Periodically the school holds emergency fire and tornado drills. At the beginning of each semester, teachers notify students of the procedures to follow in the event of a drill. Emergency procedure and proper exit areas are posted in all rooms.

Students are expected to remain quiet and orderly during a drill or an emergency.

I. Recesses in Cold Weather

During cold spells, students may not be allowed to go outside for recess. They may also be taken out for brief periods just to get some fresh air. Wind chill, humidity, and cloudiness can also make a difference. Students will stay inside if the wind chill is below 0°. Anytime children are out at recess, there is a supervisor out with them, and they continually evaluate the conditions on the playground. If they feel the conditions are hazardous, they bring the students in immediately.

Please be sure children have appropriate clothing for the season. Students are expected to have snow boot, snow pants, a winter coat, hat & gloves/mittens.

III. STUDENT DISCIPLINE

D. **Bus Expectations**

The Board of Education is charged with the responsibility to provide transportation for each entitled student and to properly safeguard the health and safety of the students. Buses are primarily used to transport students to and from school. Students who ride the bus and other school district vehicles to and from school, extracurricular activities or any other destination must comply with school district policies, rules and regulations. Students are responsible to the driver while on the bus or in another school vehicle, loading or unloading or leaving the bus. The driver has the ability to discipline a student and may notify the principal of a student's inappropriate bus conduct. The privilege of riding on a school bus is at the discretion of the Board of Education. Students can be deprived of this privilege if their continued presence on the bus would be injurious or dangerous. Any student who continually misbehaves may be denied the

opportunity to ride a school bus. These rules and regulations apply to ALL passengers at ALL times on regular routes, excursions, and school sponsored activities.

Video recorders are in use on school buses for the safety of the students riding the bus. The content of the recordings may be used to discipline students. Students are not informed when the video cameras are or are not in use. Recordings are subject to the protection offered by the Family Educational Rights and Privacy Act, and will only be viewed by authorized school personnel or law enforcement.

Students are expected to know and practice the following expectations: all posted bus expectations and follow the driver's instructions.

Bus Expectations (Students)

1. Riders must be at the designated loading point before the arrival time.
2. Wait in an orderly manner, on the shoulder, not on the traveled portion of the highway. Stay out of the way of traffic when boarding the bus.
3. Maintain a safe distance from the bus unloading zone at bus arrival and departure time
4. Caution: All students shall be received and discharged from the right front entrance of every school bus, and if said students must cross the highway, they shall be required to pass in FRONT of the bus only, look in both directions, and proceed to cross the highway only on SIGNAL from the bus driver. Do not cross the road or highway upon discharge or in preparation to board the bus until the bus has come to a complete STOP with the flasher signals in operation and the STOP SIGNAL ARM extended. Repeat: Wait for signal from the bus driver before crossing. ALL traffic (approaching from either direction) MUST STOP. Be sure that it does STOP before crossing the highway. Do not cross the highway behind the bus. Walk on the left side of the highway facing traffic at all times.
5. Riders must wait until the vehicle comes to a complete stop before attempting to enter.
6. The Emergency Door is to be used only in case of emergency.
7. Board the bus and leave the bus in an orderly fashion.
8. Keep all personal belongings out of the aisle.
9. Stay out of driver's seat and do not play with the bus controls.
10. Keep all parts of your body and objects in the bus at all times.
11. Talk in tones and appropriate volume that will permit the driver to hear any signals or emergency warnings.
12. Remain seated while the vehicle is in motion.
13. Emergency equipment (First Aid Supplies, Fire Extinguisher, etc.) is for emergency use only. Keep hands off.
14. Students may not have anything in their possession (i.e. sticks, firearms, sharp instruments, water pistols, etc.) that may cause injury to another or distract the attention of the driver.
15. Students should be polite and courteous to persons who they pass on the route.
16. Any student assigned to a permanent seat by the driver or school representative must occupy that seat for the period of time designated.
17. Have respect for the rights of fellow passengers. Keep your hands off one another and off the personal belongings of others.
18. Students shall not use foul language at any time nor shall anyone make hand gestures considered to be out of place and morally unacceptable.
19. Roughhousing in vehicle is prohibited.
20. Riders who damage seats or other equipment will reimburse the school district for the cost of the repair or replacement.
21. When leaving the bus, all students shall remain seated until the bus has come to a complete stop.

A clean and orderly bus is a safe bus. It is the responsibility of students to maintain a clean bus. The driver is responsible for the orderly conduct of the passengers. While on the bus, the student is under the authority and directly responsibility to the bus driver. Whenever a student's conduct is inappropriate while being transported to or from school, the following disciplinary steps will be enforced.

E. Bus Discipline Procedure

In the event a student's conduct is inappropriate while being transported under the school's authority, the following actions could result:

1. A student/driver conference will be held centering on the student's behavior, what the violation was, and the expectations for the future. The school office will be notified of the incident.
2. Any future incidences that occur will require a school representative contacting the parents of the student, either by phone or by letter, to help improve the student responsibilities on the bus. The school may take discipline measures as well.

3. The student may be suspended from riding the bus for repeated offenses, or immediately if the offense jeopardizes the safety of other students or the bus driver.

F. COURTESY AT EXTRA-CURRICULAR EVENTS

We are looking forward to excellent extra-curricular events at Edgewood-Colesburg. We share the responsibility with you and your parents for appropriate behavior at the activities.

During sporting events all spectators are expected to:

1. Be respectful and quiet during the national anthem. Hold your right hand over your heart.
2. Watch the game.
3. Visit with your friends.
4. Support the teams, cheer and clap.
5. Be respectful and courteous to others; don't "Boo" other teams.
6. Demonstrate good sportsmanship.
7. Be a positive credit to your family, school and community.
8. Leave your seat only between quarters, at half time and between games.
9. During plays and musical events be as quiet as possible.
10. Offenders will be asked to sit with parents, leave the event, or be suspended from events.

G. CARE OF SCHOOL PROPERTY

Students are expected to treat school property with care and respect. Students found to have deliberately damaged or destroyed school property will be required to reimburse the school district, as well as being subject to additional discipline. In the discretion of the administration, such students may be turned over to local law enforcement officers.

H. DRESS CODE

Hats will not be worn during the school day. Clothing or other apparel promoting products, which are illegal for use by minors, such as alcohol, tobacco or drugs, or clothing displaying obscene material, profanity or reference to subversion, is not appropriate. Neither are items of clothing that reveal too much of a student's body, such as halter tops, strapless tops, or those tops that show a student's midriff. These items are not appropriate for a school setting and the student may be asked to change into something more appropriate and less distracting. While the primary responsibility for appearance rests with the students and their parents, school personnel reserve the right to judge what is and is not proper.

I. CONTROLLED SUBSTANCES

The use or possession of tobacco, liquor, or controlled substances on school property is strictly forbidden. This prohibition applies at all school activities and on all school vehicles. Violation of this rule will result in suspension from school for one to ten days.

Students involved in extra curricular activities are also subject to the Code of Conduct, Board Policy 503.9.

J. DANGEROUS WEAPONS

Possession of dangerous weapons is prohibited on school premises. This includes school grounds and any school vehicle. Students found in possession of a weapon are subject to immediate disciplinary action, which may include suspension or expulsion, and notification of parents and police.

Weapons defined under this policy are all types of arms, explosives (including fireworks), bows, sling shots, knives of any size, brass knuckles, or any other object or mechanism that may do bodily harm.

K. CORPORAL PUNISHMENT

State law forbids school employees from using corporal punishment against any student. Certain actions by school employees are not considered corporal punishment. Additionally, school employees may use "reasonable and necessary force, not designed or intended to cause pain" to do certain things, such as prevent harm to persons or property. State law also places limits school employee's abilities to restrain or confine and detain any student. The law limits why, how, where, and for how long a school employee may restrain or confine and detain a child. If a child is restrained or confined and detained, the school must maintain documentation and must provide certain types of notice to the child's parent. If you have any questions about this state law, please contact the elementary office. The complete text of the law and additional information is available on the Iowa Department of Education's website: www.iowa.gov/educate.

L. GYM, LOCKER ROOM AND KITCHEN AREA

Elementary students are not to be in the gym or locker room and kitchen areas unless they are accompanied by a staff member or have a pass in hand from a teacher.

IV. CURRICULUM

The Ed-Co Community Schools have a details and extensive curriculum. The district is working towards full implementation of the Iowa Core. It is available for your inspection. Please contact the principal if you have questions about it, or would like to view it.

A. Preschool

Students' experiences are designed to develop healthy emotional and social habits, language arts and communication skills; the capacity to complete individual tasks; and the ability to protect and increase physical well-being. Manipulative or "hands on", play-orientated activities are a part of the program.

B. Grades Kindergarten through Sixth

The following subjects are taught grades one through six:

Reading, Language Arts, Mathematics, Science, Health, Physical Education, Social Studies, Music, and Visual Art, Guidance, Computer Skills, and Library Skills.

C. Co-curricular and Extra-Curricular Programs

Instrumental Music

Students may begin instrumental music at the end of 4th grade and continue through high school. Students typically purchase their own instruments, but a few school instruments are available to be rented. These are usually the less common instruments. Individual or small group lessons are scheduled for each student. Performances are scheduled several times during the year.

Attendance at Vocal and Instrumental Concerts

As class time is spent preparing for concerts, students are expected to be in attendance at concert performances unless ill or under unusual circumstances. A note from parents explaining a concert absence will be needed.

D. Ed-Co Behavior Initiative

Ed-Co Elementary will be focusing on a number of social skills, based on the PBIS program, over the course of the school year.

E. MULTI-CULTURAL NON-SEXIST PROGRAM

The Edgewood-Colesburg Community School has a multi-cultural non-sexist policy and program that has been adopted by the Board of Education.

V. HOME/SCHOOL COMMUNICATION

A. KINDERGARTEN

Ed-Co policy Kindergarten states that children must be five on or before the 15th of September in order to enter school that year.

A Round up is held in the spring for the following fall. The purposes of the program are:

- 1 To acquaint parents and children with the building
- 2 To determine the number of children to be enrolled in next year's program.
- 3 To collect information from parents (registration, birth certificate, etc.)
- 4 To encourage parents to complete the required physical examination, immunizations and dental checks.
- 5 To screen children by testing for those skills that they should possess to be successful in Kindergarten

B. ENROLLING YOUR CHILD

1. To enroll your student, contact any of the school offices for registration papers. You will be given forms to fill out regarding your child, your address and home and work telephone numbers, an emergency person to contact if we can't get you, and information regarding your child's last school district (if applicable) to send your child's previous school records.
2. The appropriate registration fees will need to be paid.
Students, parents, guardians or foster parents may request a student fee waiver for full relief or partial relief of student fees charged by the school district. Students whose families meet the income guidelines for free and reduced lunch, the Family Investment Program (FIP), Supplemental Security Income (SSI), transportation assistance under open enrollment, or who are in foster care are eligible to have their student fees waived or partially waived. Students whose families are experiencing a temporary financial difficulty may be eligible for a temporary waiver of student fees. Applications are available at registration or at any school office. Applications for free/reduced priced meals are available at the offices in either center.

3. Parents should share with the staff any special services their child may have received prior, or any special health information.
4. Applications will be given for our federally funded free and reduced lunch program. Forms should be filled out by those who qualify, and returned to the school office for possible approval in the program.

C. REGISTRATION

Registration is scheduled in August. Please attend to complete proper paperwork and pay fees.

D. WITHDRAWING YOUR CHILD

1. Your child should bring a note from you several days in advance before withdrawing your child from school. It is helpful if you have the name and address of the school you will be going to.
2. To help your new school prepare for your child, you may come in and sign a release to have your child's records sent ahead to the new school.
3. Insure that all books are returned, band equipment returned, and lunch account settled. Book rent and meal account refunds will be granted on a pro-rated basis, after all school materials are handed back in.

E. COMMUNICATIONS WITH SCHOOL

1. When you want to share information with the school, a written note is preferred. Therefore we have a record of your request.
2. When calling the school for emergency information or changes, try to call at least one hour before dismissal. This will help assure that your message will be delivered before students are dismissed.
3. When you have changes in your address, telephone (home or work), place of work, emergency person, babysitter, or any other information, please notify the school immediately. We don't want to discover that we can't reach you when an emergency comes up.
4. **ALL STUDENTS WHO ARE NOT GOING TO THEIR OWN HOME AFTER SCHOOL, OR THAT PLAN TO LEAVE THE SCHOOL GROUNDS DURING THE DAY, MUST HAVE A NOTE FROM THEIR PARENTS EXPLAINING AND GIVING PERMISSION.**

F. VISITING SCHOOL

Younger children, including relatives, are not encouraged to visit school. Visitation is discouraged during the first two and last two weeks of school. If a relative of a student of the same age would like to visit school, please contact the homeroom teacher at least a day in advance to see if this will be possible.

G. SCHOOL ARRIVAL

For the safety and well being of the children, Ed-Co students are not to arrive before 8:00 A.M. Upon arriving students are to wait at the front entrance where staff supervision is available. Students will not be allowed to enter the classrooms before 8:00 A.M. On Wednesday mornings, teaching staff has mandatory meetings and students will not be allowed in their classrooms until 8:15 A.M.

Student conduct and safety on the way to and from school should be a matter of concern to the parents. The school will cooperate with parents on these matters. Parents should discuss the safest route to school, emphasizing the use of sidewalks and not trespassing on private property.

H. ATTENDANCE

Good attendance is important to success in school. **Parents should call the school office before 9:00 A.M. on the day a student is absent. Messages may be left on office voice mail.**

Regular attendance and being well prepared for class helps students in school as well as prepares students for adulthood. Only through regular attendance and class participation can students achieve the benefits of an educational system.

Attendance Policy: All absences will be classified as **excused or unexcused**.

Excused absences shall count as days in attendance for purposes of the truancy law. This type of absence shall include: illness, doctor appointments, family emergencies, recognized religious observances, and school sponsored or approved activities. Reasonable excuses may also include family trips or vacations if approved in advance. A maximum of 5 days will be allowed for family trips per year.

Truancy is the act of being absent without a reasonable excuse. It is the failure to attend school for the minimum number of days established in a school calendar by the school board (40 days each quarter set by The Ed-Co School Board). These absences shall include, but not be limited to tardiness, shopping, hunting, concerts, preparation/participation in parties and celebrations, and employment or working at home. Extenuating

circumstances will be dealt with on a case-by-case situation. Students shall also be considered truant for excessive absences (more than two consecutive days) due to illness if a doctor's verification is not provided to the principal.

Unexcused absences are also if a student is absent without parent permission, or a student leaves school or misses a class without prior approval by the principal. Unexcused absences may result in no credit for the day in the classes missed, and may result with in-school suspension being assigned.

Students who have **five or more** unexcused absences and his or her parents will need to meet with administration and developed a plan is to improve attendance.

Tardiness:

Students will be expected to be on time for school and classes. Tardiness is disruptive and a waste of valuable class time. Teachers may assign a detention for three or more tardies. Students should arrive at school before 8:40 AM.

Communication with parents/guardians during class time can be facilitated through the office. Students may not be called out of the classroom to take a telephone call. In cases of extreme emergency, calls will be referred to our guidance counselor. Important messages will be given to students at appropriate times.

The use of cell phones in locker rooms, restrooms, and shower facilities is strictly prohibited. Cell phone use by students on buses or other school vehicles is at the discretion of the bus driver. Distracting behavior that creates an unsafe environment will not be tolerated.

To facilitate student use of this resource, the school has provided high-speed, multiple Internet access at its elementary center. The Ed-Co School District also concedes that use of the Internet requires skill development and an awareness that some sites on the Internet contain content that is inappropriate, especially for young people. To ensure a positive educational experience for the students of Ed-Co Elementary School, the following policies have been established regarding Internet use at Ed-Co Elementary School.

3. Ed-Co Elementary students will receive appropriate instruction on the responsibilities and strategies involved in the use of the Internet.
4. The Ed-Co School District's Internet resources will be used only to support the curricular work of the school district.

6. Ed-Co Elementary students who violate this policy by using the Internet without faculty or staff supervision may be denied access to Ed-Co's computer resources for up to one year.

The JMC lunch system offers flexibility to the parent. Whatever amount of funds you send for your child's lunch or breakfast will be credited to his/her account. Each meal or extra milk will then be deducted from the child's account. Notice of low or negative balances will be sent home as using email unless there is not an email address then a paper copy will be sent home with your child. We encourage you to send checks for payment of lunch rather than cash. Elementary students are asked to turn lunch money in to their homeroom teacher as soon as they arrive at school.

B. OPEN ENROLLMENT

Iowa's open enrollment law allows students residing in one school district to request transfer to another school district upon the parent's request. Students wishing to open enroll to another school district must apply for open enrollment by March 1st of the school year preceding the school year in which they wish to open enroll. TITLE I

Title I is a federally funded program that provides additional resources to support the development, extension and maintenance of high-quality educational programs and services to improve student achievement. Our focus is literacy and mathematics.

The most basic statements that can be made about parent and family involvement in education is that when it happens, everyone benefits. Research has shown us conclusively that parent involvement in education benefits students, parents, teachers and school, whether the program is at preschool, elementary or high school level. Parents will be involved in decision making about the type of program we will have and how it will operate, by being volunteers and observers, by participating in adult and parent oriented activities which they have planned and by being encouraged to be prime educators working with their own children in learning activities at home and at school.

TALENTED AND GIFTED PROGRAM

Students with high ability in specific areas may be eligible for our Talented and Gifted Program. The Iowa Assessments and Cognitive Abilities Tests are two of the assessments used to qualify students for this program. For more information, contact the school office.

PRESCHOOL SCREENINGS

Parents of individuals with concerns about preschool children may have them screened through cooperation with the Keystone Area Education Agency. Regular screenings are held alternating years in Edgewood and Colesburg. Screenings may also be requested at any time on an individual basis.

D. VOLUNTEERS

We encourage and welcome parent volunteers to help in the classroom, special classes and library. If you are interested in helping at school on a volunteer basis, please notify the office or your child's homeroom teacher.
