

**ED-CO
K-2
Boys and Girls**

**Basketball Fundamentals and Fun
SUMMER CAMP
2024**

For Children Currently
in Grades K-2

June 18th, 20th, 25th, and 27th

8:00-9:15 a.m.

Location: Colesburg Gym

Goals

Our purpose is to introduce the game and skills of basketball during these fun-filled, positive days. No skill level is necessary as we are going to start at the most basic foundation and build our way up.

We will emphasize the fundamentals by teaching what the skills are and how to execute the skills needed to play the game of basketball. Teamwork and having fun are also top priorities.

Each day we will focus on a different area. The next day we will review what we learned and then move to our next focus. Ultimately, we are looking to introduce the game of basketball and having fun working with Ed-Co's future players.
