Written by Addy Kirby

Elisa Anderegg, now Elisa Brady, graduated in the class of 1999. After high school, she attended Hawkeye Community College and entered the workforce. Elisa works as a dental assistant. She resides in Winthrop, Iowa with her family. Elisa stated, "We decided to stay close to this area because we wanted to be close to family and live in a small town. We ended up in Winthrop because we found a house we liked and it was close to work." Elisa has fond memories of playing softball at Ed-Co. Her advice to current high school graduates is, "As much as you try, friends will come and go. Hold onto yourself and your family." Elisa is a Viking for Life!
